

## 2nd Conference-Surgery & Anesthesia FOCUS-UGANDA (Makerere/Mulago Hospital)

*Through strategic collaboration enhancing our Ugandan surgical care partnerships*

### Saturday, April 2, 2011

The first conference was hosted by the Global Partners in Anesthesia and Surgery (GPAS) at UCSF in April 2010.

This second conference builds on the shared goal of harmonizing our surgical care efforts in Uganda through sharing information and collaboration.

Vancouver  
British Columbia

Hosted by the University of  
British Columbia

Sessions include:

- Fostering Scholarly Collaborations
- The Economics of Developing a Strong Health System
- Scalability
- Enduring Partnerships
