

## FELLOWS CASE COMPETITION WINNER

Pascal Rhéaume, MD, of St. Paul's Hospital in Vancouver, British Columbia, Canada, won the Fellows Case Competition for his case titled, "Clinical Application of Transapical Thoracic Endovascular Aneurysm Repair." Rhéaume and finalists Aaron M. Fischman, MD, and Andrew A. Thoreson, MD, presented their cases in front of VIVA 09 attendees, who selected the winner immediately after the case presentations. Dr. Rhéaume took home a brand new laptop computer loaded with VIVA content and preset with access to the VIVA Web site. The top two runners up each won the latest iPod Shuffle.
